ISSUED H[illegible]E

There is One in your Town

EVERY Railroad Station has an Express Office. In every town and city in the country there is at least *one* place where you can get Express Money Orders.

To send currency in a letter is *never* safe. Even when sent by registered mail, there is danger of loss.

Dominion Express Money Orders are SAFE. You CANNOT lose a single cent because the Express Company will reimburse you for the full *face value* of your order, if your letter should be lost in the mail.

Call on your local Express Agent. You'll find him courteous and obliging. Ask him to explain a few of the many advantages of

Dominion Express

The Express Money Order is favored by business men as the modern method of remitting money. Women, recognizing the significance of this fact, are also adopting this safe, simple and satisfactory way of sending money by mail.

THE BANK OF TORONTO

INVITES

Savings Accounts: Every earner, every individual who has an allowance, every thrifty person, should open a Savings Account. A Savings Fund should be accumulated before investments are considered. The Bank of Toronto credits interest twice a year, at the rate of 3% per annum. Deposits as low as $1.00 are received.

Business Accounts: Merchants, Manufacturers, and all others who require the facilities and services of a Bank, are invited to open an active account with the Bank of Toronto. The Management of the Bank of Toronto is progressive as to its spirit; and, within the limits of safety and sound banking is ever ready to assist in the development of legitimate business and industry.

Farmers' Accounts: Farming is a business, and the modern farmer is a business man. His numerous transactions involving the use of cash as a medium for buying or paying can be executed more safely, satisfactorily and swiftly, by using a Bank's services and facilities. The Bank of Toronto invites Farmers' Accounts.

Joint Accounts: By means of a Joint Account, either of two persons, husband or wife, or parent or child, has the privilege of withdrawing money independently of the other. This arrangement has proved to be a real convenience and accommodation to a very large number of business men, married persons and others. Fuller particulars on application.

Ladies' Accounts: The Bank of Toronto extends every courtesy to ladies desiring to open a savings or active account...Ladies will find a checking account a very great convenience in the payment of household accounts, and in transacting other business involving the use of money.

They Say Our SHOES Are The Best

¶ Our many years of Shoe retailing have taught us exactly what people want in Shoes, what good Shoes are, and where to get each particular sort made in the **BEST POSSIBLE WAY.**

¶ Our stock to-day presents a splendid variety in Shoes of every description and of every grade for Men, Women, and Children.

Better Shoes at their Prices Do not exist.

Equal Shoes elsewhere invariably cost more money.

HALF A CENTURY

For fifty years the **WORMWITH PIANO** has been made in Kingston. It has stood the test of time—the greatest test of all. Each year sees an increased output. ¶ A piano, which steadily gains in prestige and favor every year, for half a century, must have merit.

The Wormwith Piano Has Merit

It has more—it has a soul, as the best musicians will testify. We do not need to dilate upon its excellencies, ask any of the thousand or more users in Kingston. They will tell you.
